I'm Omprakash Jat. I am an enthusiastic, self-motivated, reliable, responsible and hard working person. a B.Com graduate with a fervent interest in the IT field. Driven by my passion for the field of Information Technology, I made a pivotal decision to transition into the world of full-stack development. Currently, I am honing my skills and expanding my knowledge through a comprehensive full-stack development course at Red and White Institute.

## EXPERIENCE

**JUNE,2021 TO DEC,2022**

**BACK OFFICE, HI-TECH MARKETING**

Executed ERP functions for stock flow, ensuring seamless inward/outward transactions; diligently curated detailed monthly stock reports, providing actionable insights for strategic stock planning and minimizing inventory discrepancies.

**DEC,2023**

**INTERNSHIP, VERMILLION TECH**

During my internship at Vermillion Infotech, I had the opportunity to work on a Next.js project related to Nidhi Hospital. This experience allowed me to deepen my understanding of Next.js and its application in real-world projects. I collaborated with a team of developers to implement features, enhance the user interface, and optimize performance. Through this project, I gained valuable insights into the healthcare industry and refined my skills in Next.js development.
